Re: #4:10-cr-00512-1; 18 USC §2255

Dear Chief Magistrate Judge,

On 4/26/2012, I filed a §2255 motion (D.E. #67) in the above listed case. A magistrate judge still has not yet made an initial review of my motion.

Two weeks ago, I contacted the Clerk of Court in Houston and inquired into the cause of the delay. The clerk was unable to determine why my motion has been delayed, though she did believe the delay was unusual.

I also attempted to contact my District Court judge, the Hon. Vanessa Gilmore, but I have not yet received a response to the letter I sent.

I would greatly appreciate any help you can provide in getting my §2255 motion reviewed or in finding the cause of the delay.

Sincerely,

Thor Alexander Morris
